PREAMBLE SCOPE OF THE GENERAL TERMS AND CONDITIONS

These General Terms and Conditions shall apply to the insurance of contracts referred to under the Special Terms of the comprehensive policy.

The policy lays down, in accordance with the General and Special Terms and Conditions, the conditions under which the Insurer undertakes to provide indemnification against any losses resulting from the occurrence of specific risks covered.

For words shown as hypertext please refer to the lexicon.

UVOD OBSEG SPLOŠNIH POGOJEV

Ti splošni pogoji veljajo in se uporabljajo za vse zavarovalne pogodbe/police, sklenjene po posebnih pogojih, ki jih Zavarovanec prejme ob sklenitvi zavarovanja.

S polito se, v skladu s Splošnimi in Posebnimi pogoji, določajo pogoji pod katerimi se Zavarovalec obvezuje zagotoviti odškodnino za vso škodo, ki je posledica nekaterih zavarovanih rizikov.

Za podčrtane besede v besedilu pogojev glej slovar.

CHAPTER 1

SCOPE OF THE INSURANCE

ARTICLE 1 RISKS COVERED, BASIS FOR THE INSURANCE AND THE COMING INTO EFFECT OF COVER

The Insurer shall cover the risks that arise before delivery of goods or performance of services, the so-called cancellation risk, or the risks that arise after such delivery or performance, the so-called non-payment risk.

The Special Terms and Conditions shall specify if the insurance covers simply the non-payment risk or if the coverage is for both the non-payment risk and the cancellation risk.

1.1 Cancellation risks

- 1.1.1** The insured contract shall be considered as cancelled when it is proven that it is impossible to continue its implementation during six consecutive months. This period shall begin on the date on which the Insured notifies the Insurer of this impossibility to pursue the implementation or on the date on which the Insurer imposes such interruption.
- 1.1.2** In this event, the insurance shall apply to any costs incurred during the performance of the contract as from the date of contract signature.
- 1.1.3** Cancellation loss shall take effect from the date on which the contract enters into effect.

POGLAVJE 1

OBSEG ZAVAROVANJA

ČLEN 1 ZAVAROVANE NEVARNOSTI, TEMELJ ZAVAROVANJA, STOPANJE KRITJA V VELJAVO

Zavarovalnica krije nevarnosti, ki nastanejo pred izročitvijo blaga ali izvršitvijo storitve, ti. riziko prekinitve pogodbe ali rizike, ki nastanejo po izročilu blaga, ali po opravljeni storitvi t.i. riziko neplačila.

V Posebnih pogojih se opredeli ali zavarovanje krije samo riziko neplačila, ali pa se kritje nanaša tudi na riziko neplačila in na riziko prekinitve pogodbe.

1.1 Riziko prekinitve pogodbe

- 1.1.1** Zavarovana pogodba se smatra za prekinjeno, ko se dokaže, da ni možno nadaljevati z njeno izvedbo v obdobju šestih zaporednih mesecev. To obdobje se začne z dnevom, ko Zavarovanec obvesti Zavarovalnico o nemožnosti nadaljnja izvrševanja pogodbe, ali od datuma, ki ga Zavarovalnica odloči kot prekinitve.
- 1.1.2** V tem primeru se zavarovanje nanaša na vse stroške nastale v času izvrševanja pogodbe, začenši z datumom podpisa pogodbe.
- 1.1.3** Škoda po prekinitvi pogodbe velja od dneva stopanja v veljavo le te.

1.2	Non-payment risk	1.2	Riziko neplačila
1.2.1	Non-payment occurs when it is impossible to recover the sums due under the <u>contract</u> within the <u>waiting period</u> .	1.2.1	Neplačilo nastane, ko zneskov temelječih na pogodbi ni mogoče izplačati v plačilnem roku.
1.2.2	Any claim will be limited to the principal amount due under the <u>contract</u> and the <u>credit interest</u> calculated on the basis of the principal amount up to the initial <u>due date</u> or the <u>due date</u> extended within the limits of article 9.1.3, including VAT where required. The insurance shall not apply to <u>late-payment interest</u> or penalties, damages or duties and taxes.	1.2.2	Vsek zahtevek bo omejen na prispelo glavnico na osnovi pogodbe in kreditnih obresti, izračunanih na temelju vrednosti glavnice do prvotnega datuma zapadlosti, ki je podaljšan v okviru limita iz člena 9.1.3, vključno, po potrebi, tudi z DDV. Zavarovanje ne velja za zamudne obresti, ali kazni, odškodnine, ali pristojbine in davke.
1.2.3	The coverage for non-payment risk shall take effect from the date of delivery, to the extent that the <u>Insured</u> has a <u>certain, liquid and payable claim</u> in respect of the debtor and his guarantor(s), if any.	1.2.3	Pokritost rizika neplačila velja od dneva dobave, če ima Zavarovanec nedvomno, tekočo in zapadlo terjatev do dolžnika in njegovega (-ih) poroka (-ov), če le ti obstajajo.
1.3	Extraordinary expenses	1.3	Izredni stroški
	The <u>Insurer</u> shall cover the <u>extraordinary expenses</u> arising from a loss or a potential loss, incurred with its prior consent in order to avoid or limit a loss giving rise to compensation.		Zavarovalnica krije dodatne stroške, ki izhajajo iz škode, ali potencialne škode, nastale s predhodno odobritvijo, da bi preprečili, ali omejili škodo, ki povzroči škodni primer.

ARTICLE 2 CAUSES OF LOSS

The Special Terms and Conditions shall determine which of the causes of loss (listed below) shall be covered by the policy.

The causes of loss can be divided into three categories:

2.1 Risks on private debtors:

2.1.1 The insolvency of the debtor, established in law, namely that the debtor has been subject to:

- > a declaration of bankruptcy;
- > a composition;
- > any other judicial decision of the same nature as a declaration of bankruptcy or composition, resulting in the debtor being unable to honour its obligations.

2.1.2 The debtor default, being the circumstance under which the debtor is unable to honour his obligations or refrains from doing so without a legitimate motive.

2.2 Risks of public debtor default

This risk entails the publicly owned debtor being unable to honour his obligations or where he refrains from honouring them without a legitimate motive.

ČLEN 2 VZROK ŠKODE

V Posebnih pogojih so določeni vzroki škode (navedeni spodaj), ki jih pokriva predmetno zavarovanje.

Vzroke za škodo lahko razdelimo v tri kategorije:

2.1 Riziko zasebnih dolžnikov:

2.1.1 Insolventnost dolžnika je ugotovljena z zakonom, in sicer je dolžnik predmet:

- > uvedbe stečaja;
- > stečajne poravnave;
- > katerekoli druge sodne odločbe istega značaja kot stečaj ali stečajna poravnava, zaradi katere posojilojemalec ne more izpolniti svojih obveznosti.

2.1.2 Neizpolnjevanje pogodbenih obveznosti dolžnika zaradi okoliščin, v katerih dolžnik ne more izpolniti svojih obveznosti, ali pa jih ne izpolnjuje brez upravičenega razloga.

2.2 Riziko javnih dolžnikov

Ta riziko predvideva, da dolžnik v javni domeni ne more izpolniti svojih obveznosti, ali da ne spoštuje svojih obveznosti brez utemeljenega razloga.

2.3 Political (and similar) risks

Political (and similar) risks are all events occurring abroad that, for the Insured or the debtor, constitute force majeure, in particular:

- > political events such as wars, revolutions or riots;
- > natural disasters such as earthquakes, volcanic eruptions or tidal waves;
- > foreign currency shortages resulting in a complete inability to transfer;
- > acts, decisions or defaults of public authorities which are deemed to constitute an act of government.

Losses for which the cause is unclear or for where there is a mixture of causes shall not be considered as resulting from political risks.

2.3 Politični (in podobni) riziki

Politični (in podobni) riziki so dogodki, ki se pojavljajo v tujini in kateri za zavarovanca ali dolžnika predstavljajo višjo silo, zlasti:

- > politični dogodki, kot so vojne, revolucije in nemiri;
- > naravne katastrofe, kot so potresi, vulkanski izbruhi ali plimni valovi;
- > pomanjkanje tuje valute, ki ima za posledico popolno nezmožnost za izvršitev plačila;
- > dejanja, odločitve ali neizpolnitve obveznosti javnih organov, ki se štejejo za dejanje vlade.

Za škode nejasnega vzroka ali za škode z mešanico vzrokov, ki jih ni mogoče štetiti za posledico političnih tveganj.

ARTICLE 3 EXCLUDED RISKS

No loss may give rise to a claims payment if the cause of loss defined in article 2, results from the fault of the Insured or any person for which the Insured is responsible (subcontractors, proxies, agents and, if relevant partners).

Such fault may in particular be a failure to respect the normal procedures of international trade, as commonly accepted in the sector of activity of the Insured as well as a failure to comply with the applicable laws and regulations.

ČLEN 3 IZKLJUČITVE

Nobena škoda ne more biti razlog za plačilo terjatev, če vzrok za škodo opredeljen v členu 2, izhaja iz napake Zavarovanca ali katere koli druge osebe, za katero je Zavarovanec odgovoren (podizvajalci, koncesionarji, zastopniki in relevantni partnerji, če obstajajo).

Taka napaka je zlasti neupoštevanje običajnih postopkov v mednarodni trgovini, ki so splošno sprejeta v področju dejavnosti Zavarovanca, kot tudi neupoštevanje veljavnih zakonov in predpisov.

ARTICLE 4 VALIDITY OF THE INSURANCE

4.1 The Insured shall have an obligation to provide information to the Insurer and this shall apply not only in relation to any request for cover, but also when the cover is in force.

The Insured must inform the Insurer of any facts or circumstances known to him which are of a nature that may influence the Insurer's assessment of the risks to be insured.

4.1 Zavarovanec je dolžan predložiti podatke Zavarovalnici in ta obveznost ne velja le za zahtevo po kritju, temveč tudi, ko je kritje v veljni.

Zavarovanec mora obvestiti Zavarovalnico o dejstvih, ali okoliščinah, ki so mu znane in so takšne narave, da lahko vplivajo na Zavarovalničino oceno tveganja zavarovanja.

- | | |
|---|---|
| <p>4.2 Any incorrect declaration by the <u>Insured</u> as well as any non-disclosure, when requesting cover or during the policy duration shall automatically void the insurance.</p> <p>4.3 The cover shall only remain valid insofar as the terms of the <u>contract</u> continue to comply with the details initially provided by the <u>Insured</u>, in particular on the amount, the delivery period and the terms of payment.</p> <p>If, in the period between the request for cover and the execution of the <u>contract</u> of sale, alterations are agreed upon with the debtor or his guarantor, the <u>Insured</u> must inform the <u>Insurer</u> of these, who may then choose whether or not to continue to cover the risk.</p> <p>If the <u>Insurer</u> chooses to continue its coverage, the terms shall be adapted to reflect the <u>contract</u> of sale. This may include modifications to the terms of the insurance.</p> <p>4.4 If cover on private debtor risks is limited to insolvency, as defined in article 2.1.1, this may only be invoked if such insolvency occurs within 12 months of the <u>due date</u> or, for the cancellation risk, of the date on which the <u>contract</u> enters into effect.</p> <p>4.5 If the cover is limited to political risks, this may only be invoked if the latter give rise to a loss within 6 months of the <u>due date</u> or, for the cancellation risk, of the date on which the <u>contract</u> enters into effect.</p> <p>4.6 If the cover has been limited to political risks and the reason for non-payment is the inability to transfer payments, the <u>waiting period</u> shall not commence until the debtor has accomplished all acts which are incumbent upon him for the conversion or the transfer of his payments.</p> | <p>4.2 Vsaka napačna prijava ali ne razkritje informacij s strani Zavarovanca, v času zahteve po kritju, kakor tudi v času, ko je kritje v veljavi, pomeni samodejni preklic zavarovanja.</p> <p>4.3 Kritje ostaja v veljavi le, če so pogoji iz pogodbe še vedno v skladu z informacijami, ki jih je Zavarovanec prvotno dostavil, zlasti o znesku, času dobave in plačilnih pogojih.</p> <p>Če v obdobju med zahtevo za kritje rizika in izvedbo prodajne pogodbe, dolžnik ali njegov porok dogovore spremembe, jih mora Zavarovanec sporočiti Zavarovalnici, ki se nato odloči, ali bo še naprej nadaljevala s kritjem rizika ali ne.</p> <p>Če se Zavarovalnica odloči, da nadaljuje kritje, se pogoji prilagodijo tako, da odražajo spremembe iz pogodbe o prodaji. To lahko vključuje tudi spremembe v pogojih zavarovanja.</p> <p>4.4 Če je kritje za tveganja zasebnega dolžnika omejeno na insolventnost, kot je opredeljeno v členu 2.1.1, se lahko uporablja le, če je do insolventnosti prišlo v roku 12 mesecov od dneva zapadlosti, ali v primeru rizika prekinitev pogodbe od dneva začetka veljavnosti pogodbe.</p> <p>4.5 Če je kritje omejeno na politični riziko, se ta lahko uveljavlja le, če je škoda povzročena v roku šestih mesecov od dneva zapadlosti plačila, ali v primeru rizika prekinitev od dneva začetka veljavnosti pogodbe.</p> <p>4.6 Če je kritje omejeno na politični riziko in je razlog za neplačevanje nezmožnosti transferja plačila, čakalna doba ne more začeti, dokler dolžnik ne izvede vse ukrepe, ki jih ima v okviru svojih dolžnosti pri konverziji ali transferju njegovih plačil.</p> |
|---|---|

ARTICLE 5 MISCELLANEOUS

- 5.1** The percentage of cover shall be determined in accordance with the Special Terms.
- 5.2** The uninsured percentage portion shall be exclusively borne by the Insured.
- 5.3** Unless otherwise provided for in the Special Terms, the waiting period shall be fixed at 6 months from the due date or, for the cancellation risk, from the date provided for in article 1.1.1. Any loss shall arise as of the expiry of this period.
This period shall not apply if the cause of loss is the insolvency of the debtor as defined in article 2.1.1.
- 5.4** If the appointment of a guarantor for the debtor is a condition precedent to the insurance, the cause of loss must be established both for the debtor and his guarantor and the claim must be certain, liquid and payable in respect of both the debtor and the guarantor for the transaction to be validly insured.

ČLEN 5 RAZNO

- 5.1** Odstotek kritja se določi v skladu s Posebnimi pogoji-priloga polici.
- 5.2** Nezavarovani odstotek nosi/krije izključno Zavarovanec.
- 5.3** Če v Posebnih pogojih ni določeno drugače, je čakalna doba 6 (šest) mesecev od dneva zapadlosti, ali v primeru rizika prekinitve pogodbe, od dneva predvidenega v členu 1.1.1. Škoda nastane po izteku tega obdobja.
To obdobje ne velja, če je vzrok škode insolventnost dolžnika, kot je opredeljeno v členu 2.1.1.
- 5.4** Če je za dolžnika imenovanje poroka pogoj za zavarovanje, je treba ugotoviti vzrok škode za dolžnika in za njegovega poroka, terjatev mora biti nedvoumna, likvidna in plačljiva glede na dolžnika in njegovega poroka tako, da bi bila transakcija ustrezno zavarovana.

CHAPTER 2 PERFORMANCE OF THE COMPREHENSIVE POLICY

ARTICLE 6 OBLIGATION TO INSURED

6.1 Principles

- 6.1.1** The Insured shall present the "package" of contracts and risks to be insured. The Special Terms shall define these contracts and risks. In the event of a breach of the obligation to insure, the Insurer may demand the rectification of the situation and thereby increase the premiums up to a maximum amount of double the original premium.
- 6.1.2** The Insured may not take out a comprehensive policy with another Insurer with respect to all or part of the geographic zone defined in the Special terms.
- 6.1.3** For each debtor, the Insured must request a credit limit. The insurance of any contract is subject to obtaining a credit limit or a contract approval for each debtor.
- 6.1.4** If the Insurer cannot cover the commercial risk of the debtor with whom the Insured has an on-going business, the Insured may request that the Insurer covers the political risks related to such operations by requesting a credit limit limited to the political risks.

POGLAVJE 2 IZVEDBA ZAVAROVANJA

ČLEN 6 OBVEZNOSTI ZAVAROVANCA

6.1 Načela

- 6.1.1** Zavarovanec je dolžan predstaviti "paket" pogodb in rizikov, ki jih želi zavarovati. Te pogodbe in riziki so opredeljeni v Posebnih pogojih. V primeru kršitve obveznosti zavarovanja Zavarovalnica lahko zahteva popravek in tako poveča premijo do največ dvakratnega zneska prvotne premije.
- 6.1.2** Zavarovanec ne sme skleniti dodatne police z drugo zavarovalnico na celotnem, ali delu geografskega območja opredeljenega v Posebnih pogojih.
- 6.1.3** Zavarovanec mora zahtevati kreditni limit za vsakega dolžnika. Zavarovanje pogodbe velja v primeru pridobitve kreditnega limita, ali odobritve pogodbe za vsakega dolžnika.
- 6.1.4** Če Zavarovalnica ne more kriti komercialnega rizika dolžnika, s katerim ima Zavarovanec tekoče poslovanje, Zavarovanec lahko zahteva, da Zavarovalnica zavaruje politične rizike v zvezi s tem poslovanjem, zahtevajoč kreditni limit omejen na politična tveganja.

6.2	Operation	6.2	Postopek
6.2.1	Within the first 10 days of each month, the <u>Insured</u> shall declare:	6.2.1	V roku prvih 10 dni vsakega meseca, je Zavarovanec dolžan poročati:
	<ul style="list-style-type: none"> > the <u>contracts</u> entered into during the course of the previous month if the cover extends to both cancellation and non-payment risk; > the shipments made during the course of the previous month if the cover is for non-payment risk only. 		<ul style="list-style-type: none"> > pogodbe, sklenjene v prejšnjem mesecu, če se zavarovanje nanaša na riziko prekinitev in na riziko neplačila; > dobave opravljene v preteklem mesecu, če se zavarovanje nanaša le na riziko neplačila.
6.2.2	The declarations for insurance purposes shall be declared in the currency in which they have been incurred.	6.2.2	Vloge za potrebe zavarovanja se pošiljajo v valuti, v kateri so nastale.
6.2.3	The declaration of the turnover shall be made via a <u>turnover declaration</u> form to be provided by the <u>Insurer</u> or by any other means of communication accepted by the <u>Insurer</u> containing this information.	6.2.3	Prijava prometa se oddaja na obrazcu za registracijo prometa, ki ga zagotavlja Zavarovalnica, ali z drugimi sredstvi komunikacije potrjenimi s strani zavarovalnice, ki vsebujejo zahtevane podatke.

ARTICLE 7 CREDIT LIMIT AND CONTRACT APPROVAL

7.1 Generalities

7.1.1 The credit limit and the contract approval shall determine the maximum amount of losses for which the Insurer is liable in respect of each debtor.

7.1.2 A credit limit shall only be valid until the expiry of the insurance year during which such credit limit has been granted.

The conditions for sale defined in the credit limit or in the contract approval shall set out the most favourable terms that may be granted to the debtor.

ČLEN 7 KREDITNI LIMIT IN ODOBRITEV POGODBE

7.1 Splošne določbe

7.1.1 V kreditnem limitu in odobritvi pogodbe se določa najvišji znesek odškodnine, za katero je odgovorna Zavarovalnica, v zvezi s posameznimi dolžniki.

7.1.2 Kreditni limit velja le do konca zavarovalnega leta, v katerem je kreditni limit dodeljen.

V pogojih prodaje, ki so opredeljeni v kreditnem limitu, ali v odobritvi pogodbe, se določajo najugodnejši pogoji, ki se lahko dodelijo dolžniku.

	<p>Any transaction agreed between the <u>Insured</u> and an approved debtor that include a <u>credit duration</u> longer than that agreed in the <u>credit limit</u> will not be covered, and when the <u>credit limit</u> calls for a guarantee the guarantee must equal the value of the <u>credit limit</u> for there to be cover.</p>	<p>Vsaka transakcija dogovorjena med Zavarovancem in odobrenim dolžnikom, ki vključuje kreditno obdobje daljše od dogovorenega v kreditnem limitu, ne bo zavarovana in če kreditni limit zahteva jamstvo, mora biti jamstvo enako kreditnem limitu.</p>
7.1.3	<p>A <u>contract approval</u> shall only be valid for the actity explicitly envisaged and for the duration provided in the approval.</p>	<p>7.1.3 Odobritev pogodbe je veljavna samo za natančno navedeno transakcijo in za čas naveden v odobritvi.</p>
7.1.4	<p>The <u>credit limit</u> and <u>contract approval</u> shall apply from at the date on which the decision is notified to the <u>Insured</u>. For the cover of non-payment risk, however, the <u>credit limit or contract approval</u> shall apply to deliveries already made, on the following two conditions:</p> <ul style="list-style-type: none"> > the claims resulting from these deliveries must not be overdue on the date on which the <u>credit limit or contract approval</u> decision is notified; > the deliveries must occur after the date on which the policy enters into force. <p>The deliveries made which meet these two conditions must be declared within the ten first days of the month following the decision to grant the <u>credit limit</u> or the <u>contract approval</u>.</p>	<p>7.1.4 Kreditni limit in odobritev pogodbe veljajo od dneva prejema uradnega obvestila s strani zavarovalnice. Za kritje rizika neplačila, pa se medtem kreditni limit, ali odobritev pogodbe, nanaša na že izvedeno dobavo, pod naslednjima pogojem:</p> <ul style="list-style-type: none"> > Terjatve, ki izhajajo iz takšne dobave, ne smejo biti odprte na datum uradnega obvestila o odločitvi o kreditnem limitu ali odobritvi pogodbe; > Dobave morajo biti opravljene po datumu začetka veljavnosti police. <p>Opravljeni dobave, ki izpolnjujejo ta dva pogoja je treba prijaviti v prvih desetih dneh meseca, ki sledi odločitvi o odobritvi kreditnega limita ali odobritvi pogodbe.</p>
7.1.5	<p>The <u>Insured</u> shall contribute to the assessment and survey costs of the <u>credit limits or contract approval</u> up to the amounts indicated in the Special Terms. These costs shall also be due if the assessment leads to a refusal to grant a <u>credit limit</u>.</p>	<p>7.1.5 Zavarovanec sodeluje pri stroških ocenjevanja in določanja kreditnega limita ali odobritev pogodbe, do zneska, določenega v Posebnih pogojih. Ti stroški nastanejo tudi, če je kreditni limit zavrnjen.</p>

<p>7.1.6 The <u>Insured</u> who has obtained a <u>credit limit</u> on a debtor from the <u>Insurer</u>, shall not obtain, on pain of rendering the cover null and void, another insurance with another insurer for amounts exceeding this <u>credit limit</u>.</p>	<p>7.1.6 Zavarovanec, ki od Zavarovalnice prejme kreditni limit v zvezi z dolžnikom ne more, pod grožnjo, da se kritje razglasiti za nično, pridobiti drugega zavarovanja z drugo Zavarovalnico, za zneske, ki presegajo kreditni limit.</p>
<p>7.2 Cancellation, suspension and reduction by the <u>Insurer</u></p>	<p>7.2 Preklic, suspenz in redukcija s strani Zavarovalnice.</p>
<p>7.2.1 The <u>Insurer</u> may at any time cancel, suspend or reduce the <u>credit limits</u> or the <u>contract approvals</u>.</p>	<p>7.2.1 Zavarovalnica lahko kadarkoli prekine, ukine ali zniža kreditne limite ali odobritve pogodbe.</p>
<p>This decision shall be communicated by any of the usual means of communication accepted by the <u>Insurer</u> and the <u>Insured</u>, including e-mail.</p>	<p>Ta odločitev se lahko sporoči po kakršnih koli, običajnih komunikacijskih poteh sprejetih s strani Zavarovalnice in Zavarovanca, vključno z e-pošto.</p>
<p>7.2.2 As from the date of notification of the cancellation or the suspension or from the date of automatic suspension of the <u>credit limit</u> or the <u>contract approval</u>, the <u>Insured</u> may not deliver nor accept orders from his customer without the prior written consent of the <u>Insurer</u>.</p>	<p>7.2.2 Začenši od datuma uradnega obvestila o odpovedi, ali prekinitvi, ali od datuma avtomatičnega suspenza kreditnega limita ali odobritve pogodbe, Zavarovanec ne more pošiljati ali sprejemati naročil od svojega kupca, brez predhodnega pisnega soglasja Zavarovalnice.</p>
<p>7.3 Stop delivery</p>	<p>7.3 Prekinitev dostave</p>
<p>7.3.1 If no payment or only partial payment has been received within 60 days following the original <u>due date</u>, the <u>Insured</u> may no longer deliver to the debtor nor accept new orders without the written consent of the <u>Insurer</u>.</p>	<p>7.3.1 Če v roku 60 dni po zapadlosti fakture/pogodbene zneske le-ta ni vsaj delno poravnana, mora Zavarovanec zaustaviti nadaljnje dobave blaga ali storitev temu kupcu, in ne sme več sprejemati novih naročil od istega kupca, brez predhodnega soglasja Zavarovalnice.</p>
<p>7.3.2 If total payment has been received from the debtor by the 90th day after the original <u>due date</u>, and insofar as no other debt has become overdue for more than 60 days, the <u>Insured</u> may resume deliveries to his debtor without the consent of the <u>Insurer</u>.</p>	<p>7.3.2 Če je skupno plačilo s strani dolžnika prejeto v roku 90 dni od prvotnega datuma zapadlosti, in če v obdobju več kot 60 dni ni nobenih drugih neporavnanih dolgov, Zavarovanec lahko nadaljuje z dobavo dolžniku, brez soglasja Zavarovalnice.</p>

7.4 Automatic suspension of the credit limit

- 7.4.1** If a contractual amount remains totally or partially unpaid 90 days after its original due date or if the debtor has cancelled the contract, the credit limit shall be automatically suspended.

The Special Terms may nonetheless provide for a shorter suspension period than the 90 days past due date in certain circumstances.

- 7.4.2** Contrary to the case where deliveries are on stop, the payment of the overdues by the debtor will not automatically re-establish the credit limit. This will have to be explicitly agreed to by the Insurer.

7.4. Avtomatska prekinitev kreditnega limita.

- 7.4.1** Če je faktura/pogodbeni znesek v celoti ali deloma neporavnан в обдobjу 90 dni po svojem prvotnem datumu zapadlosti, ali če dolžnik prekine pogodbo, se kreditni limit avtomsatko prekine.

- 8.3** The calculation of the premium shall be determined by the length of the credit duration granted to the debtor, possibly pursuant to article 9.1.3.

POGLAVJE 3 PREMIJA

ČLEN 8 IZRAČUN, PLAČILA, POVRAČILA IN SANKCIJE

- 8.1** Sprejem prijave prometa Zavarovanca po členu 6.2.1, ki je odobren od Zavarovalnice, obvezuje Zavarovanca k plačilu premije, katere znesek in plačilni pogoji so navedeni v poročilu o bremenih in poslani Zavarovancu.
- 8.2** Premija se obračuna tudi na kakršnekoli zneske, ki presegajo kreditni limit.
- 8.3** Izračun premije se določa na podlagi dolžine trajanja odobrene posojila dolžniku, po možnosti na podlagi člena 9.1.3.

8.4 The premium is indivisible. Reimbursement may only be made in the following cases:

- > cancellation of the insurance in the absence of deceit, fraud or bad faith on the part of the Insured;
- > reduction, in the absence of any loss, of the insured amounts or the duration of the risk.

8.5 Total or partial default in payment of the premium shall suspend the obligations of the Insurer by operation of law.

Without prejudice to its right in respect of the amounts due, the Insurer shall be definitively released from its obligations 30 days after the notice of default.

8.6 The Insurer may at any time modify the premium rate communicated to the Insured subject to the fact that any such modification cannot apply to any pending risks already declared.

- > nižanje, zavarovanega zneska (če ni škod), , ali krajšanje trajanja rizika.

8.5 Popolno ali delno neplačilo premije suspendira zakonske obveznosti Zavarovalnice. Brez pravočasnega plačila premije v celoti, ni zavarovalnega kritja.

Brez poseganja v svoje pravice glede zapadlih zneskov, je Zavarovalnica absolutno razrešena svojih obveznosti v 30 dneh po uradnem obvestilu o ne izvrševanju obveznosti.

8.6 Zavarovalnica lahko kadarkoli spremeni premijsko stopnjo, vendar spremembe ne more uporabiti za že prijavljene, zavarovane rizike, ki še vedno trajajo/ so v veljavi.

 - > dokumenti, ki dokazujejo originalne plačilne pogoje, se hranijo;
 - > Zavarovanec mora obvestiti Zavarovalnico o novem datumu zapadlosti in ta novi datum zapadlosti določa izhodišče /pričetek čakalne dobe.
- Obresti, ki izhajajo iz podaljšanja datuma zapadlosti, so zajete v členu 1.2 pod pogojem:

- > da so bile fakturirane dolžniku;

<p>9.1.5 The <u>Insured</u> shall grant the <u>Insurer</u>, whilst accepting all consequences related to the <u>uninsured percentage</u>, the right to exercise all rights resulting from the <u>Insured</u> debt.</p>	<p>9.1.5 Zavarovanec odstopi Zavarovalnici pravico, uveljavljati vse pravice, ki izhajajo iz zavarovanega dolga , pri čemer sprejme vse posledice v zvezi z nezavarovanim odstotkom.</p>

<p>Moreover, with respect to the <u>uninsured percentage</u> of risk, the <u>Insured</u> shall commit himself to support all consequences of any decisions that the <u>Insurer</u> may have to take in relation to any kind of agreements which are relevant to the insured debts.</p>	<p>Poleg tega se Zavarovanec, glede na odstotek nezavarovanega rizika, strinja, da nosi vse posledice odločitev, ki jih lahko Zavarovalnica določi v zvezi s katero koli vrsto pogodb, ki je pomembna za zavarovane dolbove.</p>
<p>9.2 Options as to collection</p>	<p>9.2 Možni načini plačila odškodnine upniku</p>
<p>9.2.1 Within 30 days following the declaration of a delay, the <u>Insured</u> shall provide to the <u>Insurer</u> the <u>contractual documentation</u> relevant to the transaction entered into with the debtor, whether or not overdue.</p>	<p>9.2.1 Zavarovanec je dolžan v 30 dneh po prijavi zamujanja plačila, Zavarovalnici dostaviti pogodbeno dokumentacijo pomembno za transakcijo, ki jo je sklenil z dolžnikom, ne glede na to, ali je dolg že zapadel ali ne.</p>
<p>The <u>Insurer</u> has the right to ask for an English translation, at the expense of the <u>Insured</u>, for all contractual documents required by the <u>Insurer</u> to examine the validity of the cover.</p>	<p>Zavarovalnica ima pravico zahtevati angleški prevod vse pogodbene dokumentacije, na stroške zavarovanca, za potrebe preverjanja veljavnosti kritja</p>
<p>Whichever option for collection is chosen the <u>Insured</u> is always obliged to submit the claims against the estate of an insolvent debtor, even after payment of the indemnification.</p>	<p>Ne glede na to, katera možnost je izbrana za plačilo, je Zavarovanec vedno dolžan vložiti zahtevek za terjatev do premoženja insolventnega dolžnika, tudi po plačilu prejemu odškodnine.</p>

<p>9.2.2 When providing the list of overdues, the <u>Insured</u> must indicate his choice of the collection options as explained below and shall designate any loss assignees.</p>	<p>9.2.2 Pri predložitvi seznama zaostalih plačil, mora Zavarovanec navesti svoje možnosti izterjave, kot je pojasnjeno v nadaljevanju in označiti vsakega cesonarja.</p>
<p>The <u>Insured</u> agrees to remit any recovered amounts after payment of any claim in accordance with the methods set out in article 10.5.2.</p>	<p>Zavarovanec se strinja, da bo odpustil vse plačane zneske po izterjavi terjatev v skladu z metodami določenimi v členu 10.5.2.</p>
<p>9.2.3 Option 1: the <u>Insured</u> and the <u>Insurer</u> acting together in relation to collection:</p>	<p>9.2.3 Možnost 1: Zavarovanec in Zavarovalnica glede plačila nastopata skupaj:</p>
<p>This implies:</p> <ul style="list-style-type: none"> > that the <u>Insured</u> acts with and under the instructions of the <u>Insurer</u> until the file is closed; > that the <u>Insured</u> and / or the assignee commit themselves to remit to the <u>Insurer</u> the recovered amounts, after payment of any claim, up to the <u>indemnified portion</u>; > that the <u>Insurer</u>, where he considers that there may be a potential loss, may impose all measures that he considers to be appropriate in order to avoid its occurrence or to limit its effects. 	<p>To pomeni:</p> <ul style="list-style-type: none"> > Zavarovanec ravna v skladu z navodili Zavarovalnice, dokler se primer ne zaključi; > da se Zavarovanec in/ali cesonar zavezujeta, da bosta odpustila Zavarovalnici plačane/prejete zneske, po plačilu odškodninskega zahtevka, do zavarovane višine > da Zavarovalnica, ko je mnenja, da lahko pride do potencialne škode, lahko uvede ukrepe, ki se ji zdijo primerni, da bi se izognila nastanku škode, ali omejitvi njenih učinkov/posledic.
<p>9.2.4. Option 2: the <u>Insured</u> grants a collection mandate:</p>	<p>9.2.4. Možnost 2: Zavarovanec izda Zavarovalnici pooblastilo za izterjavo:</p> <p>To pomeni:</p>
<p>This implies:</p> <ul style="list-style-type: none"> > that the <u>Insured</u> grants to the <u>Insurer</u> a mandate for the purposes of collection, which authorises the latter to act in his name and for his account; > that the <u>Insured</u> and/or the assignee commit themselves to remit the total amount of the recovered sums after indemnification; 	<ul style="list-style-type: none"> > da Zavarovanec izda Zavarovalnici pooblastilo za izterjavo, s katerim se Zavarovalnica pooblašča, da ukrepa v njegovem imenu; > da se Zavarovanec in/ali cesonar zavezujeta, da bosta odpustila Zavarovalnici celoten znesek terjatve, po prejeti odškodnini;

- > that the Insurer, where he considers that there may be a potential loss, may immediately decide on all measures that it considers to be appropriate to avoid its occurrence or to limit its effects. These measures and actions shall not deprive the Insurer of his right to refuse to cover any indemnification if it would appear that the insurance conditions have not been met;
- > that the actions undertaken by the Insurer in his name and the costs engaged by the Insurer shall be borne by him exclusively; the costs related to the debts the Insurer refuses to indemnify will be reimbursed by the Insured.

This option does not apply to the cancellation risk.

- > da Zavarovalnica, ko je mnenja, da lahko pride do potencialne škode, lahko takoj sprejme odločitev o vseh ukrepih, za katere meni, da so primerni, da bi se izognila nastanku škode ali da omeji njene učinke. Ti ukrepi in dejanja ne omejujejo pravice zavarovalnice, da zavrne kritje nekega nadomestila, če se ugotovi, da niso izpolnjeni pogoji zavarovanja;
 - > da ukrepe, ki jih Zavarovalnica prevzame v svojem imenu, ter odhodke, ki pri tem nastanejo, krije sama; stroške povezane s terjatvami, ki jih Zavarovalnica noče povrniti, je dolžan nadomestiti Zavarovanec.
- Ta možnost ne velja za riziko prekinitev pogodbe.

CHAPTER 5 INDEMNITY

ARTICLE 10 GENERAL PRINCIPLES

10.1 If the Insured has opted for option 1 mentioned in article 9.2.3, he must make a claim against the policy.

If the Insured has opted for option 2 mentioned in article 9.2.4, the expiry of the waiting period shall be considered as a claim against the policy.

In either case, the Insured must provide evidence of his right to be indemnified.

10.2 If the debtor disputes the debt or pretends being entitled to exercise a right to compensation or if the Insured terminates, without the prior consent of the Insurer, a distribution agreement that is in the course of being executed, the Insurer shall require, before granting any claim's:

POGLAVLJE 5 ODŠKODNINA

ČLEN 10 SPLOŠNA NAČELA

10.1 Če se zavarovanec odloči za prvo možnost iz člena 9.2.3, mora vložiti odškodninski zahtevek na podlagi police.

Če se zavarovanec odloči za 2. možnost iz člena 9.2.4, potek čakalnega obdobja šteje kot zahtevek za odškodnino po polici.

V obeh primerih mora Zavarovanec predložiti dokazilo o upravičenosti do odškodnine iz zavarovanja.

10.2 Če dolžnik oporeka dolgu, ali zatrjuje, da je upravičen za uveljavljanje pravice do nadomestila, ali če Zavarovanec brez predhodnega soglasja Zavarovalnice, odpove sporazum o dobavi med njegovim izvajanjem, Zavarovalnica pred odobritvijo odškodninskega zahtevka zahteva:

- > that the dispute be settled definitively by the judge relevant to the contract;
- > and that the decision be rendered enforceable in the country of the debtor.

In the case of any dispute, all extraordinary expenses required for the settlement of the dispute shall be borne exclusively by the Insured.

10.3 In case of insolvency and when the debt is disputed, the Insurer shall require that the debt is admitted as part of the liabilities of the insolvent debtor, before making any claims payment.

10.4 If, on the date of cancellation of the credit limit by the Insurer or on the date of expiry of the waiting period relating to the first unpaid debt, the sums that remain due to the Insured exceed the amount of the credit limit, the portion exceeding the amount of the credit limit shall be borne exclusively by the Insured.

On this date, the Insurer shall calculate the ratio between the amount of the credit limit and the amount total outstandings relating to the debtor.

10.5 All payments, except for late-payment interest, shall be allocated as follows:

10.5.1 Before the date on which the Insurer cancelled the credit limit and/or contract approval, and no later than expiry of the waiting period for the earliest outstanding amount, any amounts received shall be allocated to clear the debts relating to the principal amount due under the contract and credit interest in chronological order, regardless of whether these have been covered or not.

- > da je spor dokončno rešen s strani pristojnega sodišča navedenega v pogodbi med upnikom in dolžnikom;
- > in , da je sodba izvršljiva v državi dolžnika.

V primeru spora, vse izredne stroške, ki so potrebni za rešitev spora krije Zavarovanec.

10.3 V primeru plačilne nesposobnosti, ter v primeru izpodbrijanja terjatev, Zavarovalnica pred vložitvijo odškodninskega zahtevka zahteva, da se zahtevek prizna kot del obveznosti insolventnega dolžnika.

10.4 Če na dan preklica kreditnega limita s strani Zavarovalnice, ali na dan zapadlosti čakalne dobe v povezavi s prvim neplačanim dolgom, zneski dolgovani Zavarovancu presegajo višino kreditnega limita, del ki presega višino limita nosi/krije izključno Zavarovanec.

Na ta dan, Zavarovalnica določi razmerje med višino kreditnega limita in višino vseh neporavnanih terjatev povezanih z dolžnikom.

10.5 Vsa plačila, razen za zamudne obresti, se asignirajo, kot sledi:

10.5.1 Pred datumom odpovedi kreditnega limita in/ali odobritve pogodbe s strani Zavarovalnice in ne pozneje od preteka čakalne dobe za prvi neplačani znesek, se vsi prejeti zneski za poravnavo dolgov asignirajo v kronološkem vrstnem redu. Ti zneski se nanašajo na prispelo glavnico dolga v skladu s pogodbo in kreditnim limitom, ne glede na to, ali so ti dolgovi pokriti ali ne.

<p>10.5.2 After the date on which the <u>Insurer</u> cancelled the <u>credit limit</u> and/or <u>contract approval</u>, and no later than the expiry of the <u>waiting period</u> for the earliest outstanding amount:</p> <ul style="list-style-type: none"> > if article 9.2.3 applies, the received amounts shall be allocated to clear the <u>covered and non-covered amounts</u>, pro rata to the <u>Insured</u> proportion of the debt; > if article 9.2.4 applies, the <u>Insurer</u> will first receive the amounts, up to the total amount of any claim payment, any collection and any financing costs. The <u>Insured</u> will receive any surplus. 	<p>10.5.2 Po datumu prekinitve kreditne omejitve in/ali odobritve pogodbe s strani Zavarovalnice in ne pozneje kot od preteka čakalne dobe za prvi neplačani znesek:</p> <ul style="list-style-type: none"> > če se uporabi člen 9.2.3, se vsi prejeti zneski za poravnavo kritih in nekritih zneskov asignirajo v sorazmerju z odstotkom zavarovanih terjatev; > če se uporabi člen 9.2.4, Zavarovalnica najprej dobi zneske do višine skupnega zneska plačila odškodninskih zahtevkov, plačila in finančnih stroškov. Zavarovanec prejme eventualni presežek.
<p>10.6 The <u>late-payment interest</u> shall be allocated in priority to the clearance of the outstanding amounts relating to the principal sum due under the <u>contract</u>.</p>	<p>10.6 Zamudne obresti se predvsem asignirajo za poravnavo neporavnanih zneskov, ki se nanašajo na prispelo glavnico dolga v skladu s pogodbo.</p>
<p>10.7 In the Special Terms, the <u>Insurer</u> may fix a maximum amount of total claims payment for each <u>insurance year</u>.</p>	<p>10.7 S Posebnimi pogoji Zavarovalnica lahko določi najvišji znesek vseh plačil odškodninskega zahtevka za vsako leto zavarovanja.</p>

11.1.2 Cancellation losses shall always be determined in Euro.

 - > ali preprodajo vrnjenega blaga; Dohodek od izvajanja klavzul o ohranjanju lastniških pravic je podoben prihodu izterjave garancije.
 - > ali vrednosti koristi, do katerih je Zavarovanec upravičen/pridobil iz naslova škode.

11.3 Extraordinary expenses

The contribution of the Insurer to any extraordinary expenses shall be determined by applying the indemnified portion to these extraordinary expenses. If these expenses relate also to uninsured amounts, they shall be allocated proportionally to the insured and uninsured amounts.

The contribution to any extraordinary expenses within the scope of the collection mandate as mentioned in article 9.2.4, is detailed in the last bullet-point of the same article.

11.3 Izredni stroški

Soudeležba Zavarovalnice v izrednih stroških se določi z uporabo nepovrnjenega dela teh izrednih stroškov. Če se ti stroški nanašajo na nezavarovane zneske, se asignirajo v rezmerju med zavarovanimi in nezavarovanimi zneski.

Soudeležba v izrednih stroških v okviru plačilnih pooblastil, kot je navedeno v členu 9.2.4 je podrobno določena v zadnjem odstavku istega člena.

ARTICLE 12 CALCULATION AND PAYMENT OF CLAIMS

ARTICLE 13 RECOVERIES

- 13.1** Recoveries mean all sums collected after claim payment.
- 13.2** The allocation of recoveries is dependant on the collection option chosen.
- > if the Insured chose article 9.2.3 all recoveries will be shared between the Insured and the Insurer on the basis of the indemnified portion. Nevertheless recoveries in the form of late-payment interest relating to paid claims and accrued before the payment of the indemnity are allocated to the Insured. Covered/non-covered amount

A debt may not have been declared to the Insurer. In this case, no premium will have been collected. This is an uninsured debt.

An insured debt is a debt that has been declared to the Insurer. A premium will have been charged.

The debts that have been declared may, depending on the circumstances, be covered or not covered by insurance. Having an insured debt which is covered by insurance means that the specific insurance conditions have been met and that these debts can be allocated to the agreed credit limit. Only an insured debt which is covered by the insurance confers the right to be indemnified.

Credit duration

The term granted to the debtor for the payment of his debt.

Credit interest

Any contractual interest payable up to the due date. Such interest is covered by the policy.

Credit limit

The maximum amount of the outstanding insured debt. Due to its "revolving" nature, each payment from the debtor frees up part of the limit, so enabling new transactions to proceed.

Prijavljeni dolgoji so lahko, odvisno od okoliščin, kriti ali nekriti z zavarovanjem. Imeti zavarovan dolg, ki je krit z zavarovanjem pomeni, da so posebne zahteve izpolnjene in da se za te dolbove lahko dodeli dogovorjeni limit. Le zavarovani dolg, ki je krit z zavarovanjem, daje pravico do odškodnine iz zavarovanja.

Trajanje posojila

Rok za plačilo dolga odobren dolžniku.

Kreditne obresti

Vsaka pogodbena obrestna mera plačljiva do datuma zapadlosti. Taksne obresti so krite po polici.

Kreditni limit

Najvišji znesek neporavnanega zavarovanega dolga. Zaradi svoje "revolving" narave, vsako plačilo, ki ga dolžnik nakaže sprosti del limita in omogoči prehod na nove transakcije.

(D)

Datum zapadlosti

Datum, na katerega plačilo (ali bolj splošno, izvrševanje obveznosti) zapade.

(E)

Izredni stroški

Ti stroški vključujejo stroške nastale med procesom izterjave

These costs include specifically: the costs of investigation, the legal expenses or expenses linked to an arbitration, any lawyer's, notary's and court bailiff's fees, the costs of a recovery agency, the costs of transport, storage, expert fees and the costs of repatriation of goods.

F

Force majeure

An event making the execution of the contractual obligation impossible. Such event must be unforeseen, insurmountable and inevitable in nature. Neither the Insured nor the debtor being able to prevent the event, nor its harmful consequences on the contract.

The event lies outside the control of the parties so that no fault can be attributed to any of the parties.

Ti stroški vključujejo zlasti: stroške raziskav, pravnih stroškov ali izdatkov povezanih z arbitražo, vse odvetniške, notarske stroške in sodne stroške izvršiteljev, stroške agencij za izterjave dolgov, prevozne stroške, pristojbine za shranjevanje, honorarje strokovnjakov in strošek vračila blaga.

(F)

Višja sila

Dogodek, ki preprečuje izvedbo pogodbenih obveznosti. Tak dogodek mora po svoji naravi biti nepredvidljiv, nepremostljiv in neizogiben. Ne zavarovanec ne dolžnik nista mogla preprečiti dogodka ali njegove škodljive posledice za pogodbo.

Dogodek, ki je izven nadzora strank, tako da nobeni strani ni mogoče pripisati kakršne koli napake.

Zavarovalnica

L

Late-payment interest

If there is a delay in the execution of the obligation to reimburse the debt, late-payment interest may become due.

This relates to compensation to repair the financial loss suffered by the creditor due to the non-payment by the debtor at the originally set contractual due date.

Such interests are not covered by the insurance.

(L)

Zamudne obresti

Če obstaja zamuda pri izvrševanju obveznosti plačila dolga, lahko nastanejo tudi zamudne obresti.

To se nanaša na obveznost, da se sanira finančna izguba, ki jo je upnik utrpel zaradi neplačila s strani dolžnika do prvotno določenega pogodbenega datuma zapadlosti.

Teh obresti zavarovanje ne krije.

P

Percentage of cover

A percentage fixed in the Special Terms and Conditions which will be taken into account to determine the amount of indemnity.

(P)

Odstotek kritja

Odstotek je določen v Posebnih pogojih in ga je treba upoštevati pri določitvi višine odškodnine iz zavarovanja.

Zavarovalnica šele po koncu tega obdobja lahko obravnava odškodninski zahtevek.
